

DT-8876

IR THERMOMETER

Heavy Duty Professional Compact InfraRed Thermometers with Circular Laser Targeting

Infrared Temperature, Dew-point Temperature & Humidity Measurements

IP54 Rated & 3 m Drop Tested

Ergonomically designed for a more natural fit

Precise laser technology for more accurate and repeatable measurements

Triple Backlit LCD Display

Red Backlight Alert

FEATURES / SPECIFICATIONS	8876
User selectable ° C or ° F	*
Circular Laser Targeting	*
Automatic Data Hold	*
Auto Power Off	*
White Backlit LCD Display	*
Overrange Indication	*
Max, MIN, Difference, Average Display	*
K-Type Input	*
Red Backlight & Beeper Alarm	*
Bluetooth Interface	*
G-Sensor	*
IR Temp. Range	- 50° C to 1000° C
IR Temp. Resolution	0.1° C
Optical Resolution	20:01
Basic Accuracy	±1.0 % of reading
Adjustable Emissivity	0.10 ~ 1.0
Response Time	Less than 150 ms
Spectral Response	8-14 μm
Supplied Accessories	9V battery, Carrying Case
Size (HxWxD): 190mm x 55mm x 110mm	Weight: 263 g
Warranty	2-Years
